RE: Skyline Mine TDN #90-02-107-5

The following addresses OSM-AFO'S request for additional information regarding the above referenced TDN:

On June 13, 1990, the Division received a letter requesting a copy of Map 3.2.1-1. Also requested was a time frame in which an amendment would be submitted and approved to handle the area sited in the TDN.

On June 18, 1990, Mr. Rick Summers and Mr. Daron Haddock (DOGM) met with Skyline representatives and discussed the situation. At that time the Skyline representatives committed to supply an amendment and revised map to handle the area in question within the week. Approval of the amendment should easily be handled within 30 days or by July 18, 1990.

A copy of Map 3.2.1-1 will be sent to AFO as soon as it is received at the Division office.

If you require any additional information, please call Daron R. Haddock or Rick Summers at (801) 538-5341.

Sincerely,

*Daron R. Haddock*
